A continued Merry Christmas to everyone. I hope you are enjoying the holiday. New Year's Day is the time when I host my extended family which I am looking forward to doing. Construction this week has picked up speed. Demolition of the Narthex is well underway and moving a little more quickly than we were anticipating. We will be in the church for Sunday worship, but things will look differently from usual. Our adventure in St. Mary's Hall will give us an opportunity to have our worship space look different week to week or season to season, and it won't take us long to get to coffee hour! Traveling mercies on those who are away this week. For the rest, I pray we all can keep warm.

Blessings,  
Marc

Blessings, *Marc*
